Exemption: Engineering teams working on Project "Aurora" are exempt from the Tuesday-Thursday mandate due to security classification, requiring 5 days on-site.

[Security Protocol] - Internal Data Classification

Length: Medium (500 words) | **Category:** IT/Security | **Access:** All Employees (Confidential)

Content:

Data at MetaCorp is classified into three tiers. Mishandling data is grounds for immediate termination.

- **Tier 1 (Public):** Marketing materials, job postings, published blogs. No restrictions.
- **Tier 2 (Internal):** Employee directory, internal wikis, non-public project roadmaps. Can be shared with contractors but requires Non-Disclosure Agreement (NDA).
- **Tier 3 (Restricted):** Source code, financial earnings drafts, PII (Personally Identifiable Information) of employees (SSN, home address, salary details), and legal strategy.
 - *Handling:* Tier 3 data must be stored exclusively within the "Vault" SharePoint repository.
 - *Email:* Sending Tier 3 data via external email (Gmail, Yahoo) is strictly forbidden.
 - *Printing:* Tier 3 documents must be printed using a badge-accessible printer and collected immediately. Uncollected print jobs are shredded after 15 minutes.

Reminder: Project "Aurora" (mentioned in the WFH policy) is classified as Tier 3+, requiring biometric access in the Austin HQ basement.

[Conflict Alert] - The "Unlimited PTO" Caveats (Addendum to Handbook)

Length: Short (200 words) | **Category:** HR/Correction | **Access:** All Employees
Content:

Subject: Important Clarification on PTO (Replaces Section 2.0 of the Handbook)

While MetaCorp advertises "Unlimited PTO," the HR department tracks "Utilization Rates."

Effective fiscal year 2026:

1. Employees are **expected** to take a minimum of 15 days of PTO per year to prevent burnout.
 2. However, employees cannot take more than **25 days** of PTO in a single calendar year without presenting a doctor's note for medical leave. This cap is strictly enforced to ensure operational continuity, effectively making the PTO "Unlimited in name only."
 3. Unused PTO (for hourly employees) is not paid out upon termination, per Texas state law, unless the employee is located in our Dublin, IE office (where EU law mandates payout of accrued, unused days).
